Lupino's

A Mediterranean-style restaurant with a relaxed, al-fresco feel, offering guests a fresh, invigorating and warm welcome.

Lupino's pays homage to our valued Ambassador colleague, who sadly passed away in October 2022. Michelle Lupino was the life and soul of any party or gathering and would always make people feel welcome. We have chosen to honour her memory by creating an onboard dining experience which recognises her Italian heritage and celebrates her vibrant, inclusive, warm-hearted qualities. We hope the restaurant designed in her image is a fitting tribute and like to think Michelle would wholeheartedly approve.

"Michelle was with us at the very start of the Ambassador journey; She was not only an essential member of the team but also a long-term friend. In Lupino's, we have created a warm and welcoming dining experience, which our guests will enjoy for many years to come. Celebrating all the qualities she showed, Lupino's will serve as a constant reminder of the positive and inspiring impact Michelle, and indeed all of us, can have on those around us."
